

**Latah County Library District  
Administrative Policy  
Approved March 22, 2005; Review January 2006**

---

**8.0 FRIENDS OF THE LIBRARIES**

**8.1 Relationship to District**

Each District library may have its own Friends of the Library Group. Each group will determine if it will seek 501(c)3 status.

Friends groups have no authority over the staffing, collections, services, or facilities of their respective libraries unless they have agreed to take over meeting rooms per policy 5.5.

Friends groups serve as advocates for their respective libraries. They raise funds that are made available to their respective libraries for purposes approved by the Friends' membership.
