**1.0 MISSION STATEMENT**

The Latah County Library District will serve patrons in a way that is in the best interests of all county residents:

- Provide a rotating collection of books, resources, and other materials;
- Provide access to materials outside the LCLD collection;
- Provide on-going education and development for all staff;
- Provide three essential Service Responses\* to all seven libraries and other services as facilities and finances allow;
- Provide access as financially feasible;
- Provide services that promote reading based on available staff and resources.

(From the Latah County Library District Strategic Plan 2006-2009)

\* See the Strategic Plan for definition and discussion of essential Service Responses.
