- Eligibility Requirements:** To be eligible for the Homebound Service program, patrons must:
- Be confined to their home due to prolonged illness, extended convalescences, or mobility issues that make it very difficult to leave the home.
- OR**
- Have a temporary or permanent physical or mental disability that prevents or makes it extremely difficult for them to come into the library.
  - Have a valid Latah County Library District library card in good standing.

Deliveries will be made the first Friday of every month between the hours of 9:00am - 1:00pm. In the event that the library employee is unable to make a delivery, you will be contacted about an alternate delivery schedule.

Patrons must be available to accept deliveries on the scheduled day. Library employees will be delivering materials to front doors, but will not be entering private residences. Patrons must be dressed in appropriate attire and all pets must be restrained.

Items can be ordered by: filling out the request form on the inside of this brochure, writing a note on the paper provided and sending it back with your returned items, or calling the library.

Patrons may check out a maximum of 10 items at one time.

The lending period for all items will be one month. Movies and items marked "New" are not eligible to be renewed. Other items may potentially be renewed once by phone before the due date if other patrons are not waiting for them.

While we will do our best to send materials matching your preferences, you may find an item objectionable. If so, please set it aside and we will pick it up the next time we make a delivery.

Patrons are responsible for all lost and damaged item fees.
